DEACONESS BOARD

Report of Board

One of the important functions of the Deaconess Board is the interpretation of the Deaconess relationship; another is recruitment of workers. Deaconesses and other members of the Board have participated in the Christian Career Clinics and have used many other opportunities for speaking with young people about the needs of the church for young people willing to enter full-time church-related vocations.

In the fall there was held at St. Marks Community Center in New Orleans an Institute on Deaconess Boards. This was sponsored by the Commission on Deaconess Work and Miss Mary Lou Barnwell was chairman. It was attended by the chairman of Deaconess Boards, one deaconess representative, and the Woman's Society of Christian Service secretary of Missionary personnel from each of the conferences: Louisiana, Mississippi, and North Mississippi.

DISTRICT CONFERENCE RECORDS**Report of Committee**

We, your committee on District Conference Records, are pleased to report that all eight districts have submitted their records for our inspection.

Each of the districts are now using permanent-type minute book binders. The conference minutes are typed and properly arranged. In one or two books there are a few loose sheets attached by paper clips. We recommend that all reports and conference rolls be typed on pages that will fit neatly into the record book.

Respectfully submitted,

EDUCATION**Report No. 1 of Board****Centenary College Report**

The enrollment at Centenary College this year was as follows:

	Full-Time	Special	Full-Time Equivalent
Fall 1956-57	763	867	1044
Spring 1956-57	699	852	937

The above figures do not include summer school enrollment. The total number of individuals taking work in Centenary between June 1, 1956 and May 31, 1957, eliminating duplications, came to 2,448.

We had 44 more Methodist students enrolled this year than last year. It is interesting to note that whereas in 1944-45 Centenary drew 86% of its students from Caddo and Bossier parishes, this past year due to increase in dormitory facilities we drew only 60% of our students from these two parishes.

Approximately 45 of our students are going into church-related vocations—21 of these are preparing for the Methodist ministry. Scholarship aid to students going into full-time Christian work came to \$13,597 this past year.

The operating budget of the college for the past year came to over \$900,000, and we are pleased to say that our activities were carried on without incurring a deficit. This could not have been done, however, had it not been for a substantial increase in the contributions from the Louisiana Conference to the operating account of the college, which contributions came to approximately \$54,000 as compared to some \$38,000 last year. This is an encouraging increase brought about by the progress being made on the \$1 per member program. Also, we are pleased to report an increase in the amount received from business and industry through the Louisiana Foundation of Privately Supported Colleges and Universities, through which source we will receive approximately \$13,000 this year. We should not lose sight of

the importance of an adequate operating budget if Centenary College is to make real progress along scholastic lines. Our greatest problem is that of adequate salaries for teachers of ability. We are deeply appreciative of the help being given us by the Conference on our operating budget, and hope that the full goal of \$1 per member program will be realized in all of our churches.

In our building program, we will soon see the completion of a new dormitory for girls, which has been named the John A. Hardin Memorial Dormitory to perpetuate the memory of a fine Christian gentleman who for 23 years was dean of the college. The beautiful Marjorie Lyons Playhouse for speech and dramatics has its opening performance scheduled for sometime in July. The C. I. Jones Memorial Organ was installed and dedicated during the year. The entire electric supply system on the campus is being placed underground, eliminating electric poles and giving us the benefit of reduced electric rates. The old warehouses are being moved from the main campus and a new warehouse constructed in an inconspicuous place. The T. L. James Memorial Dormitory has been air-conditioned with funds supplied by T. L. James & Company. Other material improvements have been made and are in the making.

Regarding the R. E. Smith Religious Center building, the college, because it has been involved in the construction of a new dormitory for girls and the Lyons Playhouse as well as making plans for a new student center building, has not been able to advance the cause of the Religious Center building to any appreciable degree during the past months. However, we have not lost sight of the desirability of such a structure and hope to give attention to this in the future as time and money permit. Certainly, it is my hope that the Louisiana Conference of the Methodist Church will unite to make this building a reality.

In our academic and religious programs the college has made steady progress. There are seven active religious organizations on our campus:

1. Methodist Student Movement
2. Baptist Student Union
3. Centenary Club (Episcopal)
4. Newman Club (Catholic)
5. Westminster Club (Presbyterian)
6. Kappa Chi (Ministerial Club)
7. Chapel and Religious Life Committee

There are four ordained Methodist ministers at Centenary—three full-time faculty members and the Vice President of the College. Their offices are available to the students for counseling. This year the religious programs have made good progress under able administration. A Methodist Student Day on the campus is being planned for next fall. Dr. Wyatt Aiken Smart of Emory University gave the Willson Lectures this year and from all sides praises has been heard concerning the quality of his lectures.

In the real life of student activities, special notice should be taken of the two tours of Japan, Korea, and Okinawa made by the Centenary College Choir within the past ten months. These tours under the direction of the U.S.O. were for the benefit of service men stationed abroad. These fine choir programs were enthusiastically received and the choir was brought into a position of international prominence.

The Board of Trustees nominates to the Louisiana Conference through the Board of Education the following persons for membership on the Board of Trustees, with terms expiring in 1960:

John B. Atkins, Jr.	Carl F. Lueg
*Wm. Russell Barrow	C. H. Lyons
J. Theron Brown	*H. Leslie McKenzie
Paul M. Brown	*George Nelson
Howard Crumley	J. G. O'Brien
M. W. Drake	Bonneau Peters
O. D. Harrison	Bentley Sloane
*Mrs. Glenn E. Laskey	

*Of the above group, the names of Wm. Russell Barrow, Mrs. Glenn E. Laskey, H. Leslie McKenzie, and George Nelson appear as new Nominees.

We request the re-appointment by the Bishop of the following Conference members to the Centenary College staff:

R. Leonard Cooke	W. F. Pledger
James A. McLean	Webb D. Pomeroy

The Board of Trustees of the College, meeting on May 24, voted unanimously to extend to the Conference an invitation to meet on the Centenary College campus next year and to select Centenary as its regular annual meeting place if it so desires. It is our hope that this invitation will be accepted.

Respectfully submitted

EDUCATION

Report No. 2 of Board

Statistical Report

The last available reports covering the year 1955-56 show a steady increase in most categories.

Church membership	(Gain of 2.1%)	114,274
Church School membership	(Gain of 3.2%)	76,223
Joining Church on profession of faith		
from Church School	(Gain of 209)	2,401
Officers and Teachers	(Gain of 9.1%)	6,802

The Church School enrollment is now 66.7% of the Church membership. Our goal is 70%.

The only losses were in Nursery Home Members and Adult Home Members.

The largest gain was in the Children's Division (965).

The Conference Staff

Miss Louise Sharp joined us in July as Director of Youth Work and Assistant in Camping.

Miss Eliazbeth Thompson resigned her relationship with the Woman's Division and gave all her time to Adult Work in the Conference. This was made possible by an emergency grant from the World Service Commission.

Mrs. McKay and Miss Hay continued as part-time staff members in Children's Work and Student Work.

Mrs. Bell continues as our Office Secretary and Bookkeeper.

The Rev. James McLean works with us as M.S.M. Director at Centenary College.

Evangelism in the Church School

The growing edge of the Christian Church is the number of persons received each year on profession of faith: New Christians! The work of the Church School is quite significant at this point. In the Louisiana Conference 75% of all who joined the Methodist Church on profession of faith came through the Church School (2,401 out of 3,205). More churches are recruiting classes of children, youth, and adults for Church membership and using the approved manuals for study. (See 1956 Discipline, paragraphs 107, 127, 129.)

Leadership Training

We are guiding an increasing number of churches in setting up leadership training classes as part of the regular program of the Church School.

During the year, 20 new certified instructors were added to our list, bringing the total to 158.

A total of 38 sub-district and local church leadership schools were held, with an enrollment of 2,715.

Two General Board staff members and 12 out of Conference instructors were used in our schools.

There were 47 leaders who attended the training schools and conferences at Mt. Sequoyah, and 2 who attended the Leadership School at Junaluska.

Three members of the Young Adult Council attended the Regional Young Adult Workshop at Estes Park, Colorado, and 170 attended the Area Adult Convocation in Little Rock.

Camping

12 (regular) Junior Camps held	6 reported	(83 churches)	407
1 Pilot Junior Camp		(10 churches)	33
10 Intermediate Camps held	6 reported	(76 churches)	512
7 Senior Camps held	4 reported	(61 churches)	276

4 Older Adult Camps held	3 reported	(35 churches)	112
Camp Leaders' Training Conference			78

Preparation for the 1957 camping season has been made. The District Directors of Camping met in January, and in April, the Camp Leaders' Training Conference brought together 78 camp workers for a three-day workshop. The Rev. Robert Clemmons, of the General Board staff, served as resource leaders.

General Church School Work

Church School administration is coming in for its share of attention. The Superintendents' Conference, at Camp Brewer, in September, brought together 75 superintendents and other general officers from 37 churches. Mr. F. A. Babb, of Lake Providence, is Conference Chairman.

Dr. Leon Adkins, of the General Board of Education, met with the District Directors of General Church School Work for a planning session in February. Effort will be made to develop a district program in Church School Administration as well as the annual Superintendents' Conference.

Directors of Christian Education

(1956 Discipline, Paragraph 1451)

Two state meetings of Certified Directors were held. One was a two-day workshop, in Baton Rouge, with Dr. Leon Adkins, of the General Board of Education, as resource leader. The Rev. Barnes, First Church, Baton Rouge, is Conference Chairman. The Rev. Ben Youngblood, Mangum Church, Shreveport, is the new representative on the Board of Education.

The demand for Directors continues to increase, but the supply is limited. The Executive Secretary continues to seek prospects from all sources and to assist local churches in making contacts. The following Directors have been certified by the Conference Board of Education:

Rev. Don Barnes, First Church, Baton Rouge

Miss Ann Fox, Ruston

Mrs. Charles Giessen, Lecompte

Miss Tennie V. Severtson, Shreveport

Miss Mary Searles, First Church, Minden

Mrs. Walter McLean, Baton Rouge

Rev. Ira Robinson, First Church, Lafayette

Rev. R. D. Shoulders, Shreveport

Rev. Ben Youngblood, Mangum Church, Shreveport

Educational Assistants, added this year are:

Mrs. Maxine Watkins, Trinity Church, Ruston

Miss Norma Garlington, First Church, Crowley

Mr. G. C. Fuller, Jr., New Iberia

Rev. William McKendry Jacocks, Carrollton Methodist Church,
New Orleans

Miss Leoncia Boudreaux, First Church, Lake Charles

Adult Work

A new emphasis was given to Adult Work in our Conference after we participated in the Area Adult Convocation, held in Little Rock, Arkansas, in January. There were 170 delegates from Louisiana who attended this meeting. Following this convocation, 10 sub-district meetings were held in 3 of the districts. Five other district meetings were held with Dr. Leo Rippy as resource leader.

The Conference Council of Adult Work met with Doctor Rippy and the Conference staff in March for planning. The Young Adult Council met in April with Dr. Robert Clemmons, of the General Board staff, as leader.

Four Older Adult Camps were held, with a total attendance of 152. Courses in Adult Work were offered in 11 leadership schools.

Miss Elizabeth Thompson has devoted full time to this work since September 1, and has strengthened the program throughout. At present we have 8 District Directors of Adult Work and 22 Sub-district Directors.

Youth Work

Miss Louise Sharp, a new member of our staff, is giving excellent leadership to all phases of Youth Work. Regular meetings of the Youth Council and the District Directors of Youth Work have been held. The District Secretaries of Youth Work of the W.S.C.S. are included in the Conference planning meetings. The annual Conference of the M.Y.F., meeting for a week on Centenary College campus, is well established. The two Youth Workshops for local church officers, at Caney Lake and Camp Brewer, are proving successful.

The work of the M.Y.F. sub-district varies according to leadership. Some districts are holding meetings of adult workers at the time the sub-districts meet.

Christian Career Clinics have been held in 3 districts. A Conference Christian Witness Mission was held in St. Tammany Parish with good results in training youth leaders.

No Youth Caravan was brought to Louisiana in 1956, but plans have been made for a Caravan to visit 6 churches in July and August, this year.

Children's Work

Mrs. E. L. McKay continued to serve as part-time Conference Director of Children's Work.

The annual Children's Workers' Conference was held in August, at Camp Brewer, with an attendance of 107. Miss Rosemary Roorback, of the General Board staff, was resource leader.

Two planning meetings of the Conference Council of Children's Work were held. Twenty-eight district workers were trained at the Vacation Church School Coaching Conference, held in January; and they, in turn, conducted 21 Vacation School Institutes, reaching 147 local churches.

Sixteen leadership schools offered courses in Children's Work, reaching 131 local churches.

Junior Camping is growing rapidly, and more attention is being given to training leaders and keeping the attendance to a maximum of 60 per camp. Twelve Junior (district) Camps were held last summer.

Our Children's Work is closely related to the work of the W.S.C.S., and the two Conference Directors plan their work together.

Special Items

The Executive Secretary has given help to 20 churches planning Educational Buildings, including visits to the church, meetings with committees and workers, and conferences with pastors and architects.

We have worked with the Quadrennial Commission on Higher Education in its program of study of Centenary College and Methodist Student Work in Louisiana.

Our staff cooperated in the Inter-Board Commission Workshops in 8 districts.

The Board of Education sponsored a Small Church Conference, at Camp Brewer, October 4-6, in cooperation with The Town and Country Commission. This conference gave help to pastors of small churches in the work of the commissions, training leaders, pastoral care, and worship.

The Executive Secretary has joined with other denominational Secretaries in Louisiana, in the beginning of a cooperative program at points of mutual concern.

Two representatives of the National Council of Churches visited the Executive Secretary, who assisted in setting up exploratory meetings. Special help was given the National Council representative in promoting World-wide Bible Reading in Louisiana; 102 of our churches participated.

As Chairman of the Commission on Promotion and Cultivation, the Executive Secretary attended the Superintendents' Conference, in Chicago, in February.

The Conference staff cooperated in a district rally on Christian Education, in New Orleans, with the Central Jurisdiction, in November.

EVANGELISM

Report of Board

The Conference Board of Evangelism makes the following recommendations and report in the form of a brochure made available to all members of the conference:

The Theme for the year 1957-58 will be "TELL LOUISIANA ABOUT CHRIST."

With our 8 Districts, made up of 469 churches with 114,278 members as reported in the 1956 Journal, we believe each can do much for Christ this year. We believe God is calling us today as He has done in no other time to adjust our methods to fit the age in which we live in order that we might reach more people for Christ. No other church has such an attractive program and organization as does our own church. This program is to be planned by the Commission on Membership and Evangelism of the local church in cooperation with the Pastor.

We are exhorted to keep in mind the words of our own Bishop Paul E. Martin.

"If I were to attempt to express the greatest need for the Church in our generation, I would say that it is to possess a new sense of the overwhelming faith that nothing today is so important as the salvation of human souls, and that as Christians we must never rest until we have taken the story of Christ's Gospel to every person in the world.

We are prone to believe we have satisfied the demands of Christ for membership in his fellowship simply by changed lives and participation in certain phases of activity in the church. We have not come to appreciate that man is not saved except as he becomes savior. Each man who comes to God bears a responsibility to all other men. The power to save is not man's own. But the obligation to bring one's fellows to Christ, who has the power to save, is man's inescapable responsibility and should be his most coveted opportunity. The function of the Church as the herald of good news must be uppermost in the thought of its members."

We challenge our preachers and laymen to

"TELL AMERICA ABOUT CHRIST"

Every layman and minister in Louisiana Methodism is challenged to take part in the writing of our Story of Evangelism during the conference year, 1957-58.

Prayer is basic to evangelism. Individuals praying for particular persons, prayer groups praying for a Revival Meeting, prayer undergirding visitation evangelism, and prayer as a follow-up of visitation and revival . . . all make possible the winning of men, women and youth to Christ and active participation in His Church.

When we "TELL LOUISIANA ABOUT CHRIST" by means of all valid channels of evangelism our barren charges will become fruitful, Louisiana Methodism will be spiritually powerful, and for Louisiana Methodist, Christ will be real.

The General Board of Evangelism is promoting the NATION WIDE WEEK OF EVANGELISM, March 2 to 9, 1958.

The general theme for our program will be "TELL AMERICA ABOUT CHRIST." The high light of the program will be on March 2nd, when we have "ONE GREAT DAY OF WITNESSING."

If every district and every church will participate in this program we should have a revival of the Spirit of Christ in our conference, such as we have never seen before.

Our Aim In The Church

The local church a voice united to tell the story.

The men of Methodist Men's Clubs telling the men of Louisiana about Christ.

The women of the Woman's Society of Christian Service telling the women of Louisiana about Christ.

The young people of the Methodist Youth Fellowship telling the youth of Louisiana about Christ.

Our Goals

A net gain in every church.

No barren charges.

The Methodist Church in Louisiana has a big job to do.

Harry Denman says that no Conference in Methodism has ever attempted so great a task.

Dr. Denman proposes, therefore that we

1. KNOW. Know whereof we speak. Methodism has always emphasized inner assurance. Louisiana needs to hear about a "know-so" religion.

2. KNEEL. All our efforts to evangelize must be begun and ended in God. Prayer is the way.

3. KNOCK. Supported by a firm faith and undergirded with prayer we will knock on every door in Louisiana.

Find Them—January

Materials to be ordered December 1, 1957 . . . to be ordered from TIDINGS, 1908 Grand Ave., Nashville, Tenn.

ORGANIZE neighborhood and home prayer groups to meet weekly during the month of February.

CHILDREN’S MEMBERSHIP CLASSES—Neglect not the use of visual aids available from Board of Education office in Shreveport and the Methodist Publishing House.

YOUTH CHRISTIAN WITNESS MISSION on every charge.

Keep Them—

A CONTINUOUS PROGRAM of assimilation of new members is recommended. To have a continuous program of Evangelism in the Local Church—use by all means the LOCAL CHURCH EMPHASIS Booklet No. 1 on Evangelism. Order pamphlet entitle “Spiritual Life Evangelism Materials” from Tidings.

THE CONFERENCE WILL PLEASE KEEP IN MIND THE INCREASING NEED OF AN EXECUTIVE SECRETARY OF THE CONFERENCE BOARD OF EVANGELISM.

We recommend the observance of the following:

Anniversary of Charles Wesley

Our Board joins the other boards of the church in commemorating the 250th anniversary of the birth of Charles Wesley. We urge our churches to promote hymn singing, using the Charles Wesley Hymns, as a means of developing a deeper christian faith.

Bible Reading Emphasis

We join with all other Boards of our Church in promoting more Bible reading among the membership of our church. We suggest that each member be encouraged to make a habit of reading some passages of the Bible each day.

College Campus Preaching Mission

Believing that Evangelism should be a part of the Quadrennium emphasis upon higher education, the Board of Evangelism would urge and support a preaching-visitation mission in each of the colleges and universities where we have organized student work.

Our Board will send one District Superintendent, the Board Chairman and three District Secretaries to the JURISDICTIONAL CONFERENCE ON EVANGELISM MT. SEQUOYAH, August 5-8, 1957.

It is hoped that the district secretaries will contact every church urging the attendance of the chairman, or other members of the Commission on Membership and Evangelism to attend. This should be a great evangelistic meeting under the leadership of the personnel of our General Board of Evangelism and others. Many people will want to attend if given the opportunity to do so.

The Board is happy to sponsor the "Hour of Evangelism" at the Annual Conference.

This Board also sponsors prayer time in Brown Memorial Chapel at 7:00 A. M. daily.

We are looking forward to a great year in the Church.

W. D. BODDIE,
Conference Secretary of
Commission on Evangelism.

HIGHER EDUCATION**Report of Commission**

The Commission on Christian Higher Education of the Louisiana Conference was organized on September 19, 1956, at a special meeting called at the First Methodist Church, in Alexandria. The membership of the Commission was composed of clerical and lay representatives selected by the Bishop and the cabinet from each district in the Conference in addition to ex-officio members from Centenary College and the Board of Education.

At the time of the initial meeting very little could be accomplished other than the election of the Executive Committee and officers and a general statement from Bishop Martin of the intention of General Conference which led to the establishment of this new commission.

The Executive Committee met on October 11, 1956, at Centenary College, at which time they drew up certain plans of procedure and policies to be followed by the Commission pending receipt of further guidance from the General Conference Commission. Following this, a meeting of the full commission was held on December 12, at Centenary, at which time the full commission was appraised of the duties of the Commission and to formulate definite plans for implementing these duties in the Louisiana Conference.

The next meeting of the group was in March, 1957, in Alexandria, at which time Dr. William E. Clark, Associate Director of the General Conference Commission, appeared before the group to explain the plans of the General Conference Commission and their hopes for accomplishments during the quadrennium.

At the March meeting, the Louisiana Commission was furnished with the first printed guides setting forth the areas of responsibility for the Commission as set forth by the General Conference Commission. We were gratified to find that many of the obligations of this Commission were already well established and properly functioning in the Louisiana Conference. It was the consensus of opinion that the Louisiana Conference had done an exceedingly commendable work in the promotion of the support of Centenary College and in the program of Wesley Foundation. In fact, we were led to believe by Dr. Clark that our accomplishments were far beyond the average across the Church.

Our first recommendation was presented to the Special Session in November of the Louisiana Conference, at which time we recommended that the Conference adopt in policy the plan of support to Centenary College to the extent of \$1 per member in the Conference. This was accepted by the Special Session and we are happy to report that a large percentage of the churches in each district have accepted this responsibility in their budgets for the year 1957-58. An agreement has been made with Centenary College whereby any income in this quadrennium in excess of \$50,000 per year will be placed to the credit of the building fund of the R. E. Smith Religious Activities Building, on the Centenary Campus. It is hoped the income from this source will be substantial to the Building Fund.

In cooperation with the Board of Education, we have had conducted by the General Board of Education a survey of each of the Wesley Foundations in the Louisiana Conference and a report of this survey has been made to a joint meeting of this Commission and the Board of Education. We are happy to report that the Wesley Foundation Program in our Conference on most campuses is highly regarded in the report presented.

We are furnishing at this session of Conference a booklet called "Blueprint for Christian Higher Education" to each member in attendance. It is hoped that these booklets will be examined, as they contain a concise and clear explanation of the hopes, plans and ambitions of the Commission. We would appreciate particularly each minister

of the Conference familiarizing himself with the contents of this booklet so that as the other areas are brought to the front by our Commission a general knowledge of this work might be had by the entire membership of the Conference.

We are not at this time making any additional recommendations, but these will be forthcoming in the immediate future as the additional work of this Commission in the Louisiana Conference is planned.

Respectfully submitted,
J. C. LOVE, JR., Chairman,
Commission on Christian
Higher Education

HOSPITALS AND HOMES

Report of Board

Section I. Policy and Organization

Your Board has adopted the same policy as of last quadrennium governing the use of Golden Cross Funds for the support of Hospital Chaplains in the several districts of the Conference. This policy is in keeping with legislation affecting the administration of said funds:

(a) The District Golden Cross Treasurers are to be recognized as agents of the Conference Board of Hospitals and Homes, and are responsible to said Board, as well as to the District Superintendents of the several districts in which they serve. They shall make annual reports to the District Superintendent and to the Conference Board at the same time of the meeting of the Annual Conference, as to the amounts and disposition of all funds for the chaplain's support handled by them.

(b) Each District Golden Cross Treasurer shall remit to the Treasurer of the Conference Board the sum of \$12.50 each quarter or a total of \$50.00 per year for the use of the board in meeting responsibilities with which it is charged.

This working agreement with the District agencies which are jointly responsible with the Board for the development of our Church's ministry in the hospitals of the state, will enable the Board to discharge its duties in a satisfactory way and permit the District Superintendents to make the fullest of those provisions of the Discipline affecting this important work.

Section II. Children's Home

The Methodist Children's Home is very close to the hearts of all Methodist of our state. We are profoundly grateful to God for the compassion that moves men to care for little children left without parents or home.

We have before us the report of the Superintendent of our Children's Home. Also, the report of the Board of Directors of the Home along with a copy of the audit. These we ask to submit without reading.

We regret the necessity of reporting that contributions to the Home decreased approximately \$7,000.00 this past year, and our total income was down \$13,700. There was some increase in expenses, and our net position for the year showed almost \$10,000 more expenditures than revenues. Fortunately, we had some emergency funds available to take care of the deficit. We feel confident that our people will respond to the need, when they are aware of it.

Our immediate construction needs on the campus appear to be taken care of, with the exception of some extensive renovation necessary on the three boys' buildings. The old main building has now been removed, and we are proud of our beautiful campus. The dedication of the three new buildings on November 6, 1956 was a happy occasion, attended by many interested persons from over the state.

The following persons were elected to the Board of Directors of the "Louisiana Methodist Orphanage" for a three year term:

Dr. G. W. Pomeroy

Dr. Guy M. Hicks

W. H. Brumfield

George D. Williams

Mrs. G. E. Laskey

We therefore submit their names for confirmation by the conference with the adoption of this report.

We recommend the reappointment of Rev. C. B. White as Superintendent and the Rev. R. W. Vaughan as Superintendent-Emeritus.

We also recommend the observance of two orphanage days:

Harvest Day in the fall—2nd Sunday in October.

Easter Sunday.

E. P. DRAKE, Chairman

LEA JOYNER, Secretary

Section III. Methodist Home Hospital

The Methodist Home Hospital has been an institution of mercy in the Louisiana and Mississippi Conference for many years. The care of the sick and the homeless was one of the first Christian expressions of the early Church. Up through the centuries, it has continued this brotherly spirit. Today the Board of Hospital and Homes in the Methodist Church upholds this original contribution.

More than fifty years ago the Methodist Church in our Conference entered a new field of service . . . that of helping un-wed mothers and placing their babies in adoptive homes. We now have a Maternity Hospital second to none with the latest equipment and best medical care. The hospital is completely air-conditioned and we are proud to say paid for. The Ford Grant has been paid in full and applied on this project.

The building debt on the hospital has been paid in full. The only debt we have left is the amount owed on the Superintendent's home. This can be liquidated when we decide to do so.

The nurses and workers in the Hospital are of the best. The Woman's Auxiliary makes a wonderful contribution to the home.

But over and above the physical care each girl receives in the hospital, there is still a greater service rendered . . . a spiritual service. A daily devotional is held in the Faye Morris Chapel. Also a regular worship service is held each Sunday. Here in the beautiful and meaningful chapel many of the girls have "felt their hearts strangely warmed." Many leave the hospital with a scar they will never forget but with a soul made white through the blood of the Lamb and a heart "afire for God."

The Superintendent is spending a part of most Sundays in the various churches, preaching and presenting the cause we represent. He is available for engagements as far as time will permit. He speaks to the adult classes on a question and answer basis when allowed to do so. You may write or call him.

We recommend that "Christmas Sunday" be set apart as Methodist Home Hospital day. At this time an offering should be taken in each church of the Conference for the support of the Hospital.

We commend Rev. L. D. Haughton for the wonderful work done and Mrs. Haughton for contribution to the success of the activities in the Home.

When need be, we are anxious that all girls and their families find the Home and know of the type and extent of its services. The pastors are asked to handle these matters in utmost confidence.

The following persons have been nominated by the cabinet to the Board of Trustees for Methodist Home Hospital for a period of three years each. We therefore submit their names to the Conference for election with the adoption of this report.

J. C. Love, Dana Dawson, Jr., Jolly B. Harper, Ben S. Giles.

The Superintendent, Board of Trustees, and the Board of Hospitals and Homes would like to express appreciation for the fine cooperation of everyone. We feel the Lord Jesus has guided and strengthened all of us.

We submit a copy of the Superintendent's report and also copies of the operating Fund and Building Fund Reports for adoption.

The report of the chaplains from the hospitals in the various Districts is being filed with the Conference Secretary.

LAY ACTIVITIES

Report of Board

Great progress has been made in Louisiana Conference, because you the Church Lay Leaders and the Pastors have made it possible. The real true measure of our success in lay participation is the results achieved through the things that are done to strengthen the Local Church. Local Church Emphasis has been stressed and a true realization of its value has been brought to the attention of our Louisiana Laymen.

Higher Education Emphasis has been part of our program and it has drawn our laymen closer to our own Centenary College. It is our prayer and sincere hopes that we can accomplish much in this field in our Conference.

The One Thousand Club project has made great progress this year and the laymen have been most cooperative in this great work.

Every Member Canvass program has been truly a great experience for our Conference. In some cases it has increased the budget as much as four hundred per cent, but the most important, is the Spiritual Inspiration it has brought to our Churches. In many cases it has been a real Revival. We highly recommend that it be repeated each year.

The Methodist Men's Hour is now being carried by eleven radio stations in Louisiana. Each Conference was asked it increase its stations by two. We increased ours with six more stations.

There were two Lay Retreats held this Conference Year and they were both well attended. Shreveport District Retreat and Ruston District Retreat had over ninety registered. Monroe District Retreat had over a hundred registered and both sent good offerings to Alaska College.

We urge support of all Conference Institutions with full cooperation with the General Conference recommendations for support of Centenary College and Wesley Foundations.

It is our plan and hopes that we can send at least forty-eight delegates to Purdue University in July to attend the National Conference of Methodist Men.

We Laymen of Louisiana Conference can look forward to a continued growth of our Lay Activities Program.

ROBERT P. LAY,
Conference Lay Leader

MINIMUM SALARY**Report of Commission**

We, your Commission on Minimum Salaries hereby express our appreciation for your support of the Minimum Salaries Fund. This fund has not only rendered invaluable service to recipient pastors and charges, but also has been a vital factor in expanding the service of Methodism throughout the Louisiana Conference.

Your support will insure the continued advancement of this program without interruption and will maintain this fine expression of Christian brotherhood in our conference.

In accordance with provisions of paragraph 826 of the 1956 Discipline of the Methodist Church, we, your Commission on Minimum Salaries wish to make the following recommendations:

1. That every minister in full connection with annuity claims, on trial, and all approved supplies be assessed an amount equal to 1% of each minister's base salary.
2. That every church pay an amount equal to 1% of their minister's base salary, or amount apportioned by the Conference Commission on World Service and Finance.
3. That no pastor who fails to pay the required 1% into the Minimum Salaries Fund share in this fund.
4. The basic Minimum Salaries Scheduled for the Conference Year of 1957-58 is as follows: Single pastor without dependents, \$2400.00 and for a married pastor, \$3000.00. The Minimum Salaries Commission will provide as much as \$300.00 for single pastors and \$500.00 for married pastors in order to bring a pastor's salary up to the basic minimum schedule. In addition to the basic minimum salaries a pastor with children may receive an additional \$100.00 for each child, provided the total payment for children shall not exceed \$400.00 and a pastor of a circuit may receive an additional \$100.00 for each additional church, provided the total payment shall not exceed \$400.00. Total additional income for both children and additional churches shall not exceed \$400.00. Appropriations will be made on the basis of funds available at the beginning of the Conference Year and in the event of insufficient funds, appropriations will be made on a pro rata basis. The total income from all sources shall be counted as a pastor's support in computing minimum salaries.
5. That all members of the Annual Conference and those on trial along with all approved supplies whose salaries are below the minimum, be eligible to share in the Minimum Salaries Fund.
6. That no minister who is not giving full time to the work of the church share in this fund, provided a minister in charge of a church and attending school be counted as giving full time.
7. To become effective with this Conference Year, a charge by the close of each year must increase its pastor's salary a minimum of 5% to continue to be eligible for minimum salary aid.
8. As soon as feasible after Annual Conference the District Superintendents shall certify to the Secretary of the Minimum Salaries Commission the amount eligible ministers need to bring his salary up to the minimum.
9. Each Pastor certified by a District Superintendent will be supplied an information sheet which must be properly filled out and returned to the Secretary of the Minimum Salaries Commission before payments may be made from this fund.
10. That all payments be made to the Conference Treasurer with definite statement whether paid by the church or the pastor. It is recommended that churches and pastors pay on a monthly basis.

MISSIONS

Report of Board

As we end the first year of this new quadrennium, the Board of Missions rejoices in the growing interest in the support of Missions and Church Extension. Almost without exception, every church has accepted and paid its full asking for World Service. The number of churches adopting their own General, Conference and Advance Specials is steadily growing.

We call attention to the action of the Jurisdictional Conference at New Orleans concerning the importance and the support of our mission to the approximately three million Spanish speaking people within our borders. We urge the Conference Missionary Secretary and our District Superintendents to present this need to the Districts and to the charges in their first Quarterly Conference, suggesting Advance Special support from individual groups or congregations. It is hoped that the churches of the Louisiana Conference will provide at least our proportionate share of the support as suggested by the jurisdictional Conference.

The 1000 Club continues to be a major factor in the establishing of new congregations, as a later report will show. In addition, the progress made by District Boards of Missions is enheartening. We especially commend the New Orleans District Board of Missions, their District Superintendent, Dr. Virgil Morris, and our Conference Director of Stewardship for their successful campaign to raise \$300,000 for church extension within the New Orleans District, and recommend that other Districts consider such a campaign for Church Extension.

Churches who are keeping up their commitments to the establishing of the Methodist College in Alaska are to be commended, and we urge other churches to extend their missionary giving to include this vital cause.

The work of the Inter-Board Schools of Instruction in helping the leadership of the local church in its four commissions has been a great success. We especially congratulate the Conference on the splendid guidance given the churches in the Conference Stewardship program and the Every Member Canvass, under the leadership of our Conference Director of Stewardship, the Reverend Karl Tooke. More than a million new dollars have been raised for budgets and building campaigns through this program. We recommend the continuance of this program for next year.

We commend to our pastors, local church Commissions on Missions, and Literature Committees the undertaking of an intensive subscription campaign for THE WORLD OUTLOOK, and the broader use of this great missionary publication. We also urge every Commission on Missions to have a Church-Wide School of Missions every year in each local church.

It is requested that all applications for aid to be considered by the Board during its Annual Conference meeting be filed with the Chairman or Secretary of the Board of Missions by May 1st. The Executive Committee will meet quarterly to consider additional applications.

The Treasurer's report is attached hereto, and if there be no objections, will not be read, but filed with the Secretary of the Board of Missions and the Secretary of the Conference.

Respectfully submitted,

LUMAN DOUGLAS, Chairman

PENSIONS**Report No. 1 of Board**

We, the Board of Conference Claimants of the Louisiana Annual Conference, take this opportunity to thank both the Laymen and the Ministers for their continued interest in the welfare of our retired members. It is only because of this interest that we are able to make this report.

We are happy to report:

First, that we will be able to pay a \$50 (fifty dollars) annuity this year to all regular conference members.

Secondly, that we will be able to pay a \$25 (twenty-five dollars) annuity for the Local Supply Work.

We recommend:

1. That (a) we request the World Service and Finance Commission to provide an appropriation of \$150,000 for the Conference Claimants Fund by an assessment to the local churches following the plan used for other assessments or (b) that the assessment of 14% of all cash salaries of pastors and associate pastors and any one who shall become a recipient on this Board at the time of his retirement, be continued by our church.

2. That the 1% assessment of the pastors' salaries shall be paid by all pastors, associate pastors, local supplies, receiving appointment within this conference, and shall become claimants on this board.

3. That this board shall be granted the right to continue its policy of investing surplus funds to earn interest to be distributed in our regular and accepted manner.

4. That the Sunday before Thanksgiving be designated Retired Ministers' Sunday.

We wish further to take this opportunity to express the gratitude of the Board of Conference Claimants for the splendid service rendered to the Board and to the entire Conference by Rev. Sidney A. Seegers. No one in this conference has done more for the cause of adequate pensions than has Brother Seegers who has served for many years as chairman of this Board. His faithful work on this Board has born fruit which will bless this Conference for years to come.

W. D. MILTON, Chairman

MERLIN W. MERRILL, Secretary

PENSIONS**Report No. 2 of Board**

We wish to lift up to your attention certain provisions of the Discipline that have not been observed heretofore concerning the payments of churches to the conference.

For the Conference Year 1955-56 there were 56 charges that failed to observe this requirement and failed to pay their pensions fund by \$4,610.

Therefore, we call attention to this section of the Pension law. Paragraph 1624 of the Discipline provides for the following:

"Proportional Payment.—1. When the apportionment to the pastoral charges for the support of conference claimants and for the Ministers Reserve Pensions Fund has been determined as provided in paragraphs 822 and 1645, section 4, payments made thereon by each pastoral charge shall be exactly proportionate to payments made on the salary or salaries of the minister or ministers serving it..

3. The treasurer of the pastoral charge shall be primarily responsible for the application of section 1 of this paragraph; but in the event of his failure to apply it, the pastor shall adjust his cash salary and the payment according to the proper ratio, as provided above, before he enters the respective amounts in his statistical report to the Annual Conference. And, on retirement, amounts in default shall be deducted from his annuity as provided in paragraph 1634 section 1..

4. The Conference Board of Pensions shall render a statement annually to all ministers of the conference who have failed to observe the provisions of this paragraph, indicating the amounts in default for that and all preceding conference years. Copies thereof shall be sent to the clearinghouse of the General Board of Pensions, and the information contained thereon shall be recorded upon the service records of the individual ministers concerned."

This pension law requires that the Board of Conference Claimants notify the delinquent churches of this provision with the understanding that these adjustments must be made in order to clear the annuity of the pastor in charge.

PUBLISHING**Report of Committee**

The Publishing Committee wishes to express our deepest admiration and appreciation for the wise leadership and able direction given by Dr. E. T. Wayland to the Louisiana Methodist. Beginning as editor of the Arkansas Methodist in 1941, he, along with Rev. Ewing T. Wayland, assumed editorship of the joint Arkansas-Louisiana Methodist in 1951. It is fitting that we note there are now 11,600 subscribers to

the Louisiana Methodist, our Conference Organ, as he retires, and much of this magnificent achievement is due to his leadership.

We welcome Rev. Ewing T. Wayland as editor in chief of the joint publications and urge that he have the same splendid cooperation from the ministers and churches that has been given during the past six years.

We keenly appreciate the increasing interest in Methodist Information and the manner in which pastors and other leaders are increasingly keeping notable news of the Methodist Church and people in the news.

We wish to note the very fine work of our area Methodist Information. We appreciate the fine job as Director by Mrs. Georgia McDonald, who has now assumed a position with the Arkansas-Louisiana Methodist and welcome as our Director of Methodist Information, Miss Jeanne Mason.

Audits of the finances of both Methodist Information and the Arkansas-Louisiana Methodist have been filed with the Commission on World Service and Finance.

The Report of the Joint Commission of the Arkansas-Louisiana Methodist is endorsed by your committee and included as a portion of this report.

Report of Joint Commission of The Arkansas and Louisiana Methodist

The Joint Commission of the Arkansas Methodist and The Louisiana Methodist met at the First Methodist Church, Little Rock, February 15, 1957, 12:30 P. M. with Dr. Aubrey G. Walton, Chairman, presiding. Those present included Aubrey G. Walton, R. J. Rice, J. G. Moore, O. C. Landers, Arthur Terry, C. O. Holland, Charles Richards, R. Leonard Cooke, R. R. After discussion of various matters of business, the Commission voted to make the following recommendations to the three Annual Conferences of the Area.

(1) That the circulation campaign for 1958 be January 12-19 and that the same general plan of circulation that has been used be employed.

(2) That the campaign goal for 1958 be 40,000 for the combined publications with a quota for each of one subscription for each 9 members.

(3) That the subscription price for both publications be continued at \$2.00, provided that the church which sends in a subscription list representing one-third of the members of that church as reported in the last journal be given a special rate of \$1.50.

(4) That the Little Rock, Louisiana and North Arkansas Conference's Commissions on World Service be requested to apportion the same percentage ("amount" in case of Louisiana Conference) for the Arkansas Methodist and The Louisiana Methodist as was apportioned the past year.

RESOLUTIONS

Report of Committee

As the 112th Session of the Louisiana Annual Conference draws to a close, we know that the members will want the resolutions committee to express the thanks for the entire body to the number of persons who have made possible such congenial surroundings that have contributed to our success.

Again, and probably more so, if possible, we feel deeply grateful for our Bishop Paul E. Martin, who never wants for a fitting word, whose able leadership gives confidence to our whole body that the situation is well in hand; whose love and brotherly concern helps to bind us a great brotherhood. His devotionals came as the expressions of one going the second mile, challenging all of us to venture in sacrificial service. Mrs. Paul Martin has created an atmosphere of friendliness with her remarkable memory and concern for others. Bishop Sante Barbieri strengthened our ties with Latin America with his presence.

Centenary College under the direction of its president, Dr. J. J. Mickle, and Vice-President Leonard Cooke, have organized faculty and friends into a host of committees, who have been invaluable in service to our Conference. We include as an appendage to our report a list of these to be carried in our Journal. High lighting Centenary's contributions has been the use of the dignified facilities of the Brown Memorial Chapel.

The Shreveport District under the guidance of Dr. B. C. Taylor has awakened preachers and laymen to be great hosts and hostesses. The press and radio have given us ample coverage of our Conference.

The Board of Evangelism has warmed our hearts in bringing to our Conference an outstanding orator and preacher, Dr. Gaston Foote, of Fort Worth, Texas. The First Methodist Church, Dr. D. L. Dykes, and his staff opened its sanctuary for our use in the evening services. The choirs of First Methodist Church, Broadmoor Methodist Church, and Centenary College have made a real contribution to our preaching

services. The organist Mr. William Teague and Dr. A. C. Voran have been ever available.

Brotherly love does prevail, and we feel inspired by the Conference to go forth in the name of Christ, for a great work in the coming year, and to all who helped to make this possible, we express our gratitude.

RESOLUTION

By Board of Temperance

Regarding Alcoholic Beverage Advertisements

WHEREAS millions of American homes are ruthlessly invaded daily by alcoholic beverage advertisements presented by radio and television programs, by newspapers, magazines and other media, which

are in content false and deceptive, in effect subversive of the character-building teachings of Home and Church, and are in many ways injurious to the morals and the economy of our whole nation, all for the purpose of promoting, by high-pressures, the consumption of a habit-forming, narcotic drug poison for the financial advantage of a profit-sharing commerce in human debauchery; and

WHEREAS we, with all other Christian people, regard the beverage use of alcohol with abhorrence, and are comparatively without protection against the damaging influence of its advertising appeals except as "government of THE PEOPLE, by the PEOPLE and for the PEOPLE" shall take appropriate action to prohibit the interstate transportation of alcoholic beverage advertising, since appeals to the advertisers and media representatives have failed; and

WHEREAS the evil effects of high-pressure advertising of alcoholic beverages is witnessed in historically unprecedented and statistically demonstrated totals of alcoholism; of alcohol-caused crime, traffic tragedies, insanity, worker inefficiency, monetary waste, divorce-broken homes, juvenile delinquency, malnutrition and other health impairments: now, therefore, be it

RESOLVED by the Louisiana Annual Conference of The Methodist Church assembled at Centenary College in Shreveport, Louisiana, this 30th day of May, 1957, That the Congress of the United States is hereby respectfully requested to enact that legislation now before it which would ban the interstate transportation of alcoholic beverage advertising material; and be it further

RESOLVED, That copies of this Resolution be transmitted to the President and the Vice President of the United States, to the Speaker of the House of Representatives of the said Congress, and to each Senator and Representative from Louisiana in the Congress of the United States.

Presented to the Louisiana Conference by the BOARD OF TEMPORANCE,

BEVERLY E. BOND, Chairman
HENRY BOWDON, JR., Secretary

RESOLUTION

Legal Matter Pertaining to Seashore Methodist Assembly Property

WHEREAS, at the 1955 meeting* of the Louisiana Annual Conference in regular session duly assembled adopted a resolution consenting to and authorizing the conveyance to the Trustees of the J. T. Leggett Memorial Church of said land hereinafter described, constituting a part of the property owned by the Seashore Methodist Assembly, a non-profit corporation, and

WHEREAS, the said resolution contained a provision requiring the deed whereby said land was conveyed to contain a revisionary clause

under the terms of which title to the land would revert to the corporation in the event it should no longer be used for church purposes, and

WHEREAS, the Louisiana Annual Conference and the Alabama Annual Conference, together with the Mississippi Annual Conference, are the equitable owners of the title to the land, but not the improvements thereon, constituting the property of the Methodist Seashore Campground, and

WHEREAS, the Alabama Annual Conference and the Mississippi Annual Conference have heretofore adopted resolutions similar to the one referred to, and

WHEREAS, the requirement in the said resolutions for the reversionary clause above referred to has rendered it impossible to secure the necessary commercial financing for the completion of a church building on the property referred to in the said resolutions, and

WHEREAS, this conference desires to waive said reversionary clause inasmuch as and to the extent that such waiver shall be necessary to protect the interests of the agencies lending capital funds to the J. T. Leggett Memorial Church for the completion of its church building:

NOW, THEREFORE, BE IT RESOLVED by the Louisiana Annual Conference of the Methodist Church in annual session:

1. That the Louisiana Annual Conference does hereby waive its right under the reversionary clause in that certain deed dated May 10, 1956 and recorded in Book 411 at pag 380 of the Records of Deeds of Harrison County, Mississippi, wherein there was conveyed to the Trustees of the J. T. Leggett Memorial Church a tract of land situated in Section 31, Township 7 South, Range 9 Wes, Harrison County, Mississippi, more particularly described as follows:

Commencing at a point on the North margin of the sidewalk adjacent on the North side of U. S. Highway 90, which said point is 462.8 feet West of the intersection of the West boundary of the J. T. elKlar Addition with the North Margin of U. S. Highway 90; proceed thence North $0^{\circ} 43'$ West, a distance of 200 feet to an iron pipe; proceed thence East 150 feet to an iron pipe; proceed thence South $0^{\circ} 43'$ East, a distance 200 feet to an iron pipe situated at the North margin of the sidewalk adjacent on the North side of U. S. Highway 90; proceed thence West along the North margin of said sidewalk 150 feet to an iron pipe which is the point of beginning of the tract herein described;

2. That the waiver effected by this resolution shall continue in effect for so long a period as the whole or any part of a loan to the Trustees of the J. T. Leggett Memorial Church secured by a deed of trust on the above described land, or interest thereon, shall remain unpaid, it being the intent of this resolution that the rights and remedies of the lender of funds secured by such deed of trust shall in no wise

be affected by the aforementioned reversionary clause and that the rights of this conference under the aforesaid reversionary clause be and the same are hereby subordinated to the rights of the lender of funds to the said J. T. Leggett Memorial Church under a deed of trust on the aforesaid property securing said loan;

3. That the waiver provided for in this resolution is conditional upon the adoption of similar resolutions of waiver by the Mississippi Annual Conference and the Alabama Annual Conference;

4. That the Louisiana Annual Conference hereby consents to the incorporation of this resolution into any instrument or deed of trust or other security which may be given by the Trustees of the J. T. Leggett Memorial Church for a capital loan of funds with which to complete the erection of a church building on the aforementioned property.

RETIRED MINISTERS' HOMES, Inc.

Report of Board

We wish to thank the Bishop, District Superintendents and all laymen and preachers who supported our project with their prayers and gifts during this Conference year.

For a matter of Conference record we wish to report that the special offering taken at the close of the Conference last year to help furnish the first Retired Minister Home in Ruston totaled \$442.00. This with the \$1,132.29 cash gift of the 1200 salespeople of the Tupperware Company in annual convention in Orlando, Florida, last July 5, gave us enough to complete the building of the carpools on the Ruston project and have some cash balance which record is given in the financial report. We are deeply grateful to God for making this contact possible.

We are happy to see that many of our churches are writing our project into their budget for liberal amounts next year.

This past year Cedar Grove Church placed \$500.00 in their budget and paid it monthly. Southside Monroe placed \$30.00 in their budget and paid it monthly.

The Brotherhood Class of First Church Shreveport has recently notified us that they will pay in \$42.50 per month for an indefinite period.

The highest per capita gift was Longansport with \$300.00 from 246 members.

One hundred sixty-four churches sent in offerings totaling \$9,002.14 which was an increase of 5 churches and \$159.65 cash increase over last year. There were 55 churches who sent in an offering in 1955-56, but did not send one in for '56-'57.

Owing to the fact that there is no line in the statistical tables on which to report the gifts to this project, we ask the conference to authorize the Conference Secretary to include our financial report in the printed Journal.

It is the decision of the Board to continue to follow the plan of building homes in all the Districts following the per capita, per member plan of determining what District will be next.

No district will be considered entitled to a home until they have raised 50% of the cost of building and lot, since the project started in 1953.

We Recommend For 1957 - 58

That the month of November be continued as Retired Ministers Homes Month throughout the conference and that other interests projecting themselves into this month be considered secondary to this project.

If November is not convenient to some local churches, a month as near the early part of the conference year as possible may be worked out.

During the month to be observed it shall be the duty of every pastor to inform his congregation, or congregations, about the plan of the Retired Ministers Home Board to raise enough cash throughout the Conference each year to build at least one home each year. The building of either single or duplex homes will be determined by the Executive Committee and the District Superintendent of the District in which the home is to be built. It will hinge on the amount raised each year.

THE PASTOR SHALL COOPERATE

1. By circulating the literature furnished by the Board and explaining at least a week ahead that the offering is to be taken.
2. By taking a public offering on the first Sunday in November or upon a Sunday suitable.
3. By offering the congregation an opportunity to invest by purchasing INTEREST SHARES as individuals or as groups at \$10.00 per share.
4. By placing an amount in the local budget for this project which will be an amount properly representing the strength of that church..

WE CONTINUE TO URGE THE PASTORS to invite people who are able to do so, to include the Retired Ministers Homes Board in their will or to build a home in honor or in memory to someone.

WE COVET THE continued wholehearted cooperation of the Bishop and the District Superintendents in projecting this program into every church within the Conference and see to it that the churches, under their supervision, be given a chance to take part in thi project.

WE NOMINATE Charles N. White, Alexandria, La.; Welton Brumfield, Amite, La.; Mayo Foreman, Sulphur, La., to the Board of Managers Retired Ministers' Homes, Inc., term to expire in 1960; and Mr. Mike John to replace Mr. E. C. Gibson, Monroe, who cannot serve on account of illness.

STEWARDSHIP**Report of Commission**

The Commission on Stewardship is happy to report that the Program of Stewardship cultivation has been initiated and has moved ahead in several areas during this Conference year.

We commend the Rev. Karl Tooke, Conference Director of Stewardship, for the gifted devotion he has brought to the task of initiating the program of Stewardship cultivation. The Director has given leadership in ten fund-raising campaigns for local churches and Districts in the Conference. General Stewardship cultivation and promotion has been effected through the Director's participation in Conference and District workshops, local church meetings and training schools, preaching, and individual counseling and guidance.

The Simultaneous Every Member Canvass has provided an outstanding opportunity for Stewardship cultivation. Approximately four hundred (400) churches participated, and laymen and ministers alike have reported significant gains in both the financial and spiritual life of their churches.

The Commission anticipates continuing progress in the scope of its work and the services of the Director. To this end, we recommend that any church or District which obtains the services of the Director for Fund Campaigns be required to pay the Director's personal ex-

penses and the cost of materials used in their service. It is further recommended that churches or Districts pay to the Commission the sum of one (1%) per cent of the funds raised while the Director is in their service, such funds to be used to broaden and improve the services offered to the Conference by the Commission on Stewardship.

Respectfully submitted,

DOUGLAS L. McGUIRE, Chairman

M. D. MILLER, JR., Secretary

TEMPERANCE**Report of Board**

The Board of Temperance submits the following report of work during the past conference year:

1. Miss Virginia Bobbitt, Essay-Speech Contest winner in 1956, and Rev. Beverly Bond, the Board's president for this Quadrennium, were sent to the Youth School on Alcohol Studies, in Dallas, Texas.

2. Our Board cooperated with the Board of Social and Economic Relations and the Board of World Peace in the planning and promotion of a Citizenship Convocation which was held at Alexandria on November 29, 1956. Mr. Roger Burgess of the General Board of Temperance conducted a seminar on temperance.

3. Subscriptions to "Contact," a biweekly information service for temperance leaders, published by the General Board of Temperance, were sent to every member of our Board. We recommend that each local church provide a subscription of "Contact" for the pastor and for the Chairman of the Committee on Social Concerns. Subscription price is \$6.00 per year.

4. Our Board helped in the promotion of the following:

- a. Youth Fall Action Project, which this year was in the field of temperance.
- b. Commitment Day
- c. Keep Christmas For Christ Program.

5. Our Board sponsored and promoted the Essay-Speech Contest on the subject "Is Moderation The Answer To The Alcohol Problem?" The contest was won by Miss Anna Clark Whitaker, who will give her essay following this report. Miss Whitaker will be sent, at Board expense, to the Youth School on Alcohol Studies which meets this year in Adrian, Michigan.

The Board of Temperance submits the following plans and recommendations for the coming conference year:

1. The Board plans to send as many of the District Secretaries of Temperance as possible to a Regional Briefing Conference in Stillwater, Oklahoma, October 22-24, the purpose of which is to study ways of improving the temperance program on the local church level.

2. The Board plans to promote Commitment Day in an effort to get every local church to participate on Sunday, December 1, 1957.

3. The Board plans to sponsor and promote the Essay-Speech Contest. The title for 1958 will be, "Youth Challenges Alcohol and Other

Narcotics." The dates of the contest are: Local Church, February 24-March 8; Sub-District (optional) March 10-15; District, March 17-22; State Finals, March 29, at Trinity Methodist Church, Alexandria, La.

4. We commend the Louisiana Moral and Civic Foundation, Dr. W. Earl Hotalen, and his staff for their fine cooperation during the past year. That the services of this organization may be broadened, we strongly recommend and urgently request that pastors and laymen give attention to the 25c per member request that is made for its support. We request that this 25c per member asking be emphasized by the District Superintendents.

ONE THOUSAND CLUB

REPORT OF APPROPRIATIONS COMMITTEE

In this quadrennium calls are issued September 1; December 1; and March 1. There will be no call for June, July and August. During the year payments have been made to St. Luke's, Lake Charles, in the amount of \$9,632.00 and Memorial, Bastrop, in the amount of \$9,490.00. A payment of \$9,490.00 to Horseshoe Drive is anticipated from the current Call, making a total of \$28,612.00 paid toward the Conference program this year.

We congratulate the four Districts exceeding their quotas—the Lafayette, Lake Charles, Monroe and New Orleans Districts. We especially commend the New Orleans District for securing 1,046 members of the Club. At present there are 2,447 members of the Club in the Conference. This means that on each Call \$14,470 is retained by the Districts for their respective programs. We urge all District Superintendents and Pastors to continue to emphasize this program of Church Extension.

Allotments for next year are as follows: September-October-November, Grand Isle-Raceland, Lafayette District; December-January-February, Castle Manor, New Orleans; March-April-May, Southfield Road, Shreveport.

Since the beginning of the One Thousand Club in the Louisiana Conference in 1952, payments totaling \$94,730 have been made to eleven Churches. Six of these churches were organized in 1955 or later. The eleven churches have a membership of 2,064, who paid to the benevolent program of Methodism this year \$7,418. They hold property valued at \$626,700, with an indebtedness of only \$188,105.

Respectfully submitted,

TOWN AND COUNTRY

Report of the Commission

The Town and Country Commission in cooperation with the Conference WSCS Rural Work and the Conference Board of Education held a fall conference at Camp Brewer for laymen and ministers, October 1-3, 1956.

The program was centered on the Quadrennial Local Church Emphasis. Sixty-five registered during the three day period. Dr. H. C. Sanders of L.S.U. Agricultural Extension Service and a Methodist layman, gave the opening address. All of the other leaders were from our Conference boards and offices.

We wish to commend Centenary College for offering a course in rural church administration under Dr. W. F. Pledger. However, enough students were not enrolled to justify the teaching of the course this past year. It is hoped that it can be given successfully at a later date.

Your Conference Secretary of Town and Country Work attended the National Interdenominational Town and Country Conference at St. Louis and the Jurisdictional Town and Country Conference at Stillwater, Oklahoma. At the latter Conference he served on a panel discussing the conference program of the Conference Commission.

A preliminary draft of a survey questionnaire has been drawn up and is being considered by Town and Country Departments at S.M.U. and Emory and by a number of Louisiana Conference leaders. It is designed to help the local church check up on itself in relation to the Local Church Emphases and to gather information that will show us how we are performing as a Conference.

A number of churches will be asked to fill in the questionnaire between the adjournment of Annual Conference and the fall Town and Country Conference in October. At that time these sample questionnaires will be presented and explained in detail. Later all rural churches will be asked such self studies, and the results of these will be used in judging the churches for special recognition next year.

Looking forward to the next national Town and Country Convocation, your Commission has set aside \$200 this year to be applied on our delegations' expenses to the 1959 meeting. In 1955 forty-two attended the Bloomington Conference from Louisiana. We hope to have even more in 1959.

We urge all churches which have not yet had the mission study "High Hours of Methodism in Town and Country" to do so. Film strips and leaflets on the Group Ministry and The Lord's Acre are available from the Conference Town and Country Commission for use with this study.

All churches are urged to plan Harvest Festival and Rural Life Sunday observances. Special materials for these are available from the Department of Town and Country Work of the Division of Home Missions.

We recommend that the Louisiana Conference endorse the Christian Rural Overseas Program (CROP) and urge our rural churches and members to support the CROP programs by providing leadership and by participation in the campaigns.

We further recommend that Rev. Norman Simmons serve as official representative of our Conference on the Mid-South CROP Executive Committee.

We wish to give special recognition to the devoted service rendered to the town and country churches of Louisiana by Miss Elizabeth Thompson. Though officially related to the W.S.C.S. and the Conference Board of Education, Miss Thompson has been largely responsible for the best things that have been accomplished by the Town and Country Commission. Her monument will be found all over rural Louisiana in inspired church members and more effective churches.

Attached is a copy of the report of the treasurer of the Commission.

We recommend the appointment of Rev. John H. Sewell as Secretary of Town and Country Work for the coming year.

Respectfully submitted,

ROBERT C. CARTER, Chairman

JOHN H. SEWELL, Secretary

VOCATIONS

Report of Commission on Christian Vocations

The purposes of this Commission on Christian Vocations are closely set forth in paragraph 676 of the 1956 DISCIPLINE. Using these purposes as our guide for action this year, this Commission has done the following things:

1) We have for the first time since the Commission was organized two quadrenniums ago, a working membership composed of the required Boards, and Committees. This is very important because of the inter-Board function of this Commission.

2) District Directors of Vocations have been appointed, and have worked in every District of our Conference. Through mail or by personal contact every charge has been encouraged to organize the Local Church Committee on Christian Vocations.

3) The Conference file of names of youth interested in Church related vocations has recently been brought up to date. Only 87 names are on record. This number, we believe, is only a small portion of the number who have indicated interest and a desire for further information.

In order to make this file more complete and useful, correspondence has been prepared for mailing to every pastor in the Conference, requesting the names of youth and young adults in his charge who are known to have indicated a genuine interest in church related vocations.

Your attention to this request which you will receive in about 15 days will be truly appreciated.

4) Much thought has been given to the Conference testing and guidance program carried in two previous years. A similar type program for a selected group of high school youth within a given District as a pilot program, has been suggested.

Finally, we urge every pastor, in cooperation with the Local Church Committee on Christian Vocations, to present boldly the opportunities in, and the challenge of the pastoral ministry and other church related vocations. To assist in this presentation of challenge and opportunity, a number of visual aids are available through the Conference Board of Education. These are available upon request, and may be had for return postage to the Shreveport office. One free copy of the current Methodist Service Projects is available to every person making written request to the Commission.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Report for 1956-1957

"A PAGE IN HISTORY"

Another page has been written in the history of the Woman's Society of Christian Service and the Wesleyan Service Guild and although perspective is necessary to see history accurately there are some things about the past year which stand out in the happening.

1956-1957 marked the first year in the new quadrennium. A year when evaluations were made and goals projected. The Theme "The Spirit of Christ For All of Life" has dominated our thought and action. The Goals which delineate this theme have been a clear call to every woman to commit herself, to accept responsibility, to interpret, to confront, to create, to identify herself and to speak and act boldly in Christ's name. This theme was used for the program of the Annual meeting in March and its meaning was emphasized by each speaker and through every worship experience.

The first of these goals, "To commit herself to the spirit and principles of Christ for the whole world" is a two-fold call. First to be a committed Christian, then to communicate this joy to others in the world.

The cultivation and nurture of the Spiritual Life comes first in our goals. First we must Know Christ—seek to personally obtain His spirit, practice His principles in every day living— then we communicate. To help achieve this goal the Woman's Society and Guild stress the daily practice of the presence of God, personal devotions, family worship, prayer groups, and Spiritual Life and Bible Studies. "Paul's Letters to Local Churches" with a text written by Bishop Gerald Ensley provided a very stimulating study during the past year. The effectiveness of the study was expressed by one Wesleyan

Service Guild in a note to its pastor which read in part, "As an immediate result of this study we want to express our deepened interest in our Church and its Program, our awakened appreciation of the place of our Church in the life of the Community and to pledge to you that we will take up our share of its work and deeds, in loyalty and in better understanding."

Total commitment always leads to the acceptance of Responsibility for the Total Program of the local church. It is the committed woman in the Local Society and Guild who worships regularly in the pew, who is a practicing steward of time, talent and money. She shares in church and community activities for all age groups. She serves on commissions of Finance, Missions, Memberships and Evangelism. She works with children, youth and students, helping to train them for Christian responsibility. The study of "Youth In a Responsible Society" brought a deep realization of the need of a community climate where youth may grow in the Christian life and the responsibility which adults have in producing such a climate.

The challenge of recruitment for Missionary and Deaconess Service must be emphasized over and over. Young people are being alerted to the needs of the world and are being made aware of the diversity of opportunities in Missionary Service. Each minister is urged to have an active committee on Christian Vocations. This is provided for the Discipline paragraph but if we are to answer the call of the fields waiting for someone to come, every church must interest some youth now. Tomorrow may be too late.

The committed woman is not satisfied to work for her church alone but discovers she must extend the Kingdom in the local Community and out into the world community. She helps to create a fellowship without barriers in local church and community, identifies herself with peoples of the world and speaks and acts boldly in Christ's name and for Justice and Peace for all people.

Study is necessary to intelligent action so in order to achieve these goals the Society and Guilds have studied "Southeast Asia," "Mission: U. S. A.," "The United Nations," and bills pending in Congress. They have participated in community projects, cooperated with community agencies and added the weight of their influence to issues of States and National interest.

How shall we evaluate the contribution of the Woman's Society and Guild in terms of local church work? Suffice it to say, that life would be poorer for the minister, his family and his church, were it not for those devoted souls who labor year in and year out in what we call Local Church Activities.

Commitment always eventuates in a greater sense of stewardship. The best indication that the Spirit of Christ has been at work among us is the fact that the women of Louisiana overpaid their pledge to Missions \$16,159.33, the largest amount ever overpaid in the history of the Conference. A total of \$121,259.33 was paid to Missions. We gave \$338.04 to Children's work, \$4,116.02 to the M. Y. Fund and \$18,169.61 to

supplies. The total giving for the year 1956-57 was \$165,640.02. We are not unmindful of the part which the Stewardship Cultivation Program has had in these figures. As ministers and laymen alike have gained new insights into the meaning of stewardship giving has increased in every area of the life of the Church.

There are some 14,847 women in the Woman's Society and 1,869 members of the Wesleyan Service Guild.

This indicates an increase in both the number of Societies and units of the Guild. Alexandria District is now 100% organized. This brings the total of Districts 100% organized to four and leaves only 35 unorganized churches in Louisiana. We need the help of the Brethren to reach the goal of a Woman's Society in every local church. This may be done through District members or by having a Circuit or larger Parish Society. The new leaflet, "The Small Society" will prove helpful to ministers interested in organizing small groups.

Outside of the archives building in Washington, D.C., there is a statue of a woman sitting holding an open book upon her lap. It is the unfinished book of history. Tomorrow will be written by those who labor today.

Our goals are established. Our theme for the monthly programs for 1957-58 is The March of Missions. We are determined to go forward. The School of Missions here at Centenary College, August 12-16 will prepare many to teach the studies "Japan," "Mark," "The Social Witness of the Local Church in the Ecumenical Movement," and "Christ—The Church and Race." I should like to call attention to the fact that "Christ the Church and Race" is the Home Mission Study sponsored by the joint commission on Missionary Education. This will afford the thoughtful minister an opportunity to provide constructive help for those in his congregation who earnestly seek the Christian way in Race Relations and this is an opportunity to join our brethren in other denominations in this study.

The "Lands of Decision" shall claim our interest during the next four years. We are seeking to understand Korea, Bolivia, The Congo, and Sarowak, the impelling needs which make it imperative that the Church move in now and the ways in which we can help.

The Spirit of Christ for All of Life! What a challenge to the Woman in the Woman's Society and Guild as she writes history page by page.

MRS. G. W. POMEROY

WORLD PEACE

Report of Commission

We congratulate our Division of Foreign Missions of the Methodist Church with its boards and agencies in maintaining a force of 10,000 workers in over 50 countries, cooperating with tens of thousands of trained nationals, expending approximately \$44,000,000 annually in support of overseas programs including schools, colleges, universities,

training centers, agricultural stations, farms, shops and hospitals. The Good-will created by Church World Service expending \$11,000,000 and shipping 192 million pounds of materials overseas for disaster relief is commendable. The National Council of Churches, the United Christian Youth Movement, the United Student Christian Council, and United Church Women, carry on projects of aid around the world. But this is not enough.

We are convinced that there is urgent need for our nation to develop public programs of mutual aid of greater scope and magnitude, expanded to the extent of our national capabilities and the absorptive capacities of the underdeveloped areas of the world. To help other peoples to attain for themselves economic sufficiency and political security, is the greatest deterrent to Communism and War. We must use our skills and knowledge and, at times, our substance, to help others rise from misery, however far the scene of suffering may be from our shores. For wherever in the world a people knows desperate want, there must appear at least the spark of hope, the hope of progress—or there will surely rise at last the flames of conflict. Christian duty compels us to help other nations, financially and technically.

We feel that President Eisenhower and the Secretary of State have done much to foster world peace through their foreign aid policy and Christian statesmanship. We believe that aid given to others will be mutual aid essentially through increased world trade and mutual security. We are in favor of the United States' giving leadership to the proposed "Statute" which is being formulated to create an international agency under the United Nations to administer the Atoms for Peace Program. We believe that the United Nations, if given wholehearted support by the truly peace-loving nations, can become an effective organization for World Peace rather than a propaganda agency for a few.

Realizing that essentially Peace is a condition of the human heart and that war comes only when a majority of the people are convinced that it is the better way, therefore, be it resolved: that the Louisiana Conference spend a half month in prayer for peace, that the fifteen days from World Order Sunday, October 20 to World Peace Sunday, November 3 be designated as a Prayer Vigil for Peace, that this program be directed by the District Superintendents through the members of the Commission on World Peace in each District endeavoring to have a 24 hour prayer vigil in at least one church of each District each day of the prayer vigil.

Be it further resolved that we endeavor to make this program for peace area-wide by inviting the North Arkansas Conference and the Little Rock Conference to join with us in this Prayer Vigil for Peace.

13. We recommend that a Sunday in the month of November be designated as Retired Ministers' Home Sunday and that an offering be received in each congregation for the support of the work of Retired Ministers Homes, Inc.

14. We recommend that all Boards, Commissions, and Committees receiving funds from the Conference Treasurer be required to submit a list of all investments, and returns therefrom, to the Conference annually.

WORLD SERVICE AND FINANCE

Report No. 4 of Commission

We recommend that pastors and laymen call to the attention of their members and friends the stewardship approach to Christian giving in regard to a Christian Will. "Remember the Church in Your Will" should be given special meaning as it brings to mind the institutions related to the Annual Conference and general boards and agencies of The Methodist Church. We suggest a local church Committee on Wills and Legacies to work with and secure information and guidance from The Committee on Wills, Bequests and Gifts of the Council of World Service and Finance, Dr. J. Homer Magee, Director, 740 Rush Street, Chicago 11, Illinois.

W. E. TRICE, Chairman

*E. K. Means was a member of the North Arkansas Conference. His Memoir will appear in their Journal. He was born March 11, 1879. He died February 19, 1957. He was buried from the First Methodist Church of Monroe on February 21, 1957, with Dr. George W. Pomeroy officiating.

W. T. GRAY

W. T. Gray was born in northern Alabama on April 9, 1871. He came to Texas in his early life and attended school at Polytechnic college in Fort Worth. He was admitted to the Northwestern Texas Conference in 1899. He served pastorates there and in The Central Texas Conference. For sixteen years, he was field secretary for the Methodist Home in Waco, Texas.

In 1933, he transferred to the Louisiana Conference, serving pastorates at Manghum Memorial in Shreveport, Many, Felicity in New Orleans, Franklinton, Indian Bayou, and DeQuincy. He retired from the DeQuincy charge, having served for forty-five years in the ministry of The Methodist Church.

After his retirement, he made his home in Waco, Texas where he enjoyed the fellowship of friends and neighbors of the years he spent while working with The Methodist Home. He enjoyed good health except for the last months. On April 2, 1957, he answered the final call of his Lord. His body was laid to rest in Waco, Texas. He lacked only seven days being eighty-six years of age.

The home and family life of W. T. Gray was long an inspiration to those who knew him and his fine family. Besides his wife who survives him, are two sons: George and William Jr., both of Port Arthur, Texas; two daughters, Mrs. Brannon B. Taylor (Louise) of San Antonio, Texas and Mrs. Harold Hassman (Margaret) of Dayton, Ohio.

It was a privilege to meet and know Brother Gray, rather intimately, in my early days of my ministry. His counsel was very helpful to me. His life of devotion and service had a pronounced influence on my life. He had a wide knowledge of Methodist History and I appreciated his story of the Church in the early days. He also possessed a great sense of humor and wit. He made very effective use of the wealth of stories he had available from memory—one that would fit every occasion. He retained this cheerful spirit throughout his life.

I feel sure that many churches, communities and individuals have been strengthened and blessed by the ministry of Brother Gray. His lovable spirit and good cheer and his great faith in the Lord, and his

love of people made him a benediction and a blessing.

"Servant of God well done, Thy glorious warfare's past:
The Battle's fought, the race is won, and thou are crowned
at last."

W. CARL BARHAM.

CHARLES MARVIN MORRIS

Charles M. Morris was born in Union Parish on August 17, 1881. He was the first son of William Everett and Elizabeth Lockhart Morris. When he was a young man his family moved to Shreveport and it was from there that Brother Morris left to attend Asbury College in Wilmore, Kentucky. He received his Bachelor of Science Degree from that institute in 1904. On May 31 of that same year he was married to Myrtle Johns of Nicholasville, Kentucky. Children born to this union were Charles Hilton, Grace Margaret (Mrs. A. M. McConnell), Sarah Bell (Mrs. B. E. Cude), William Browder, Frances Helen (Mrs. B. E. Moe), and Mary Elizabeth, who preceeded him in death.

Brother Morris was ordained Deacon in the Louisiana Conference in 1907 and he was ordained an Elder in 1909. He served pastorates in the Louisiana Conference until 1917 when he transferred to the Upper South Carolina Conference, remaining there until 1930. In that year he returned to his native Conference, where he served Mangham, Greensburg, Morgan City and other Charges. He was superannuated in 1946, after which he served as a retired supply minister for Bayou Chene.

Brother Morris was a devoted father. His children have shown the training they received from him and their mother, by taking respectable places in society and active places in the Church.

Brother Morris was at the home of his daughter, Mrs. A. M. McConnell of Clinton, Louisiana, when he became sick, and he went to his heavenly home on October 16, 1956.

A service was held in Clinton with the writer officiating and assisted by The Rev. John B. Shearer, of Jackson, Louisiana. His body was then taken to Shreveport, Louisiana. Services were conducted in the First Methodist Church, with the Rev. Alfred Brown, Bossier City, officiating and assisted by the Rev. Sam Riggs.

The following poem discloses to me the faith of Brother Morris.

I know not where His islands life
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care.

—John G. Whittier.

GEORGE W. HARKINS

HARVEY D. FISHER

Harvey D. Fisher was born October 4, 1885, at New Hope, Indiana, youngest of three children of Henry and Eliazbeth Maxwell Fisher. At an early age the family moved to Texas where he attended school. His early life was spent in the clothing business, traveling from state to state. At the age of 45 he accepted the Lord and the call to preach the gospel. He attended Taylor University and was ordained in 1932 in the Wesleyan Conference and was a Tent Evangelist for the Friends Church of Texas, also the Wesleyan and Congregational Methodist Churches.

Hundreds of people found their way down the saw dust trail to an altar of prayer in the old fashioned tent revivals.

In 1950 he came to Louisiana as pastor of the Ball, Bentley, Dry Prong and Spring Hill Churches. Since then he has served Oak Grove, Natchitoches, Ville Platte, Bayou Chicot, White's Chapel and Pine Prairie.

He passed away on October 30, 1956 and his funeral was held in the White's Chapel Church on October 41, 1956 by Rev. A. W. Townsend, Jr., and Rev. J. G. Snelling. Interrment was made in the beautiful White's Chapel Cemetery. To those of his congregation who loved him and his family and friends we say with James Whitcomb Riley:

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be since he lingers there
And you—O you, who the wildest yearn
For the old time step, and the glad return
Think of him faring on, as dear
In the love of There as the love of Here,
Think of him still as the same, I say
He is not dead—He is just away.

MRS. LELIA HICKMAN.

MRS. J. C. HEARNE

Mrs. Della Brown Hearne, the wife of the late Rev. J. C. Hearne, was born January 19, 1870, in Fairburn, Georgia.

She united with Stone Avenue Methodist Church January 19, 1933. She died December 15, 1956, in the home of her daughter, Mrs. L. E. Burton, in Baton Rouge, Louisiana.

"Sister Della" was well known throughout North Louisiana. She was the mother of nine children, six sons and three daughters. Josh, the eldest son died in service during World War I. Lester preceeded his mother in death some two years. Surviving are Arthur and Morris of Monroe, Louisiana, and Roy and Dwight of Baton Rouge, Louisiana.

The three daughters are Mrs. Owen Griffith, Mrs. L. E. Burton, both of Baton Rouge; and Mrs. Hazel Duck, of Bunkie, Louisiana.

In Mrs. Hearne's earlier years, she was active in the work of the Church, being the wife and companion of an active and ambitious Pastor-evangelist.

Mrs. Hearne was a shut-in during her last years. She was confined to her room and rolling-chair. She suffered much, but did so patiently, as she awaited the end.

The greatest consolation we have—we who knew and loved her—is to know that she truly could say:

The toils of the road will seem nothing,

When I get to the end of the way.

On the fifteenth day of December in 1956, she closed her eyes to things material, to awake in the Eternal Dawn, in the presence of her Christ, whom she loved.

I. L. YEAGER.

MRS. NEWTON L. SAYERS

Mrs. N. L. Sayers, widow of the Reverend N. L. Sayers of the Louisiana Methodist Conference, was born July 23, 1859 at Senatobia, Mississippi and after a useful, wonderful Christian life of ninety-seven years, went to her eternal home on October 31, 1956. Her burial was in New Orleans.

She was married to the Reverend Sayers on March 21, 1877, became part of the Methodist Church in Marshall, Texas on February 3, 1878 and for almost a century lived as a devoted wife, mother, lady of the parsonage and one of God's home missionaries. Her husband's ministry included many missions along the bayous in St. Martin's Parish and the building of churches at Kinder, Bayou Plaquemine, Bayou Chene, Grand River and others. As his helpmeet she labored lovingly and unselfishly by his side in this work among many South Louisiana people who loved and appreciated such a sacrificial ministry.

Mrs. Sayers will long be remembered, not only for her faithful church and community service, but for the fine Christian home in which she and her husband reared a family of ten children who have carried on in their lives the Christian teachings and spirit of their parents, and seven of whom survive her. They are Mrs. T. L. McGee, Pelican, La.; Mrs. C. L. Ford, New Orleans; Mrs. E. L. Martin, New Orleans; Mrs. Coleman Constance, Virginia; Mrs. N. L. Hiriart, New Orleans; Mrs. Annie Case, Alexandria, and Mr. N. L. Sayers, Albany, Georgia.

Memories of their mother's loving and sacrificial spirit linger in the lives of her children and have helped them to be staunch, loyal Christian laymen. As they recall her outpouring of love on needy people and friends, her ability to supplement the often small salary of her

preacher husband so as to supply necessities for the children, and her sweet Christ-like acceptance of such circumstances, they pay tribute in their own lives to her magnificent example.

A great Christian like Mrs. Sayers lives forever in her children, in her home communities and in the lives of countless people of her churches who are the better because she passed their way. Such a saint of God can never die.

Louisiana Methodism misses her deeply and owes her a debt it can never repay. It is my privilege to be the pastor of her daughter, Mrs. Case, and it is through her fine memories of her mother that I am permitted to write these memoirs.

GUY M. HICKS

REV. H. C. NORSWORTHY

Rev. Hardy Cleveland Norsworthy joined the Church triumphant, June 10, 1956, after a lingering illness of many months.

Brother Norsworthy was born in Waynsboro, Mississippi, April 5, 1886. He was educated in the public schools of Waynsboro and South Mississippi College at Hattisburg, Mississippi. Before entering the ministry he was a successful business man and a member of the executive staff of the Firm Lumber Company. He also served four years as sheriff of Forest County in Mississippi.

Having been converted when in childhood, he always loved the church and church people. For a number of years he was a steward in Court Street Methodist Church. In 1907 he was licensed as a local preacher and supplied the pulpit in various churches when the district superintendent called upon him.

Brother Norsworthy and his family came to Louisiana in the early thirties. He continued his business relationships until 1942 when he was assigned to the Hall Summit Charge where he served five years. From Hall Summit Charge he was moved to Curtis Park, Bossier City, to start a new church. Here he remained for eight years. He resigned the church on account of ill health in 1955.

Brother Norsworthy was a man of warm Christian charm and a capacity to love people. He believed in fundamental Christianity and never ceased to be evangelistic in preaching the gospel of Jesus Christ. He was a patient sufferer during his long illness and his life was a benediction to others in the hospital where he spent his last days.

Brother Norsworthy leaves his widow, Mrs. Nettie Harrell Norsworthy and three children, Mrs. Frances Suddath of Shreveport, Mrs. Mary Ann Ackermann of Chula Vista, California, and Lamar Evans Norsworthy of Laurel, Mississippi, and several grandchildren in his immediate family circle.

"Blessed are the dead who die in the Lord; yea, from henceforth, they rest from their labors and their works do follow them."
